

Pilot/Controller Forum

The pilot/controller forum will include representatives from local flight schools, airport administration personnel, and the KPRC air traffic control tower. The forum will provide a means to openly discuss safety and operational concerns as well as to address common errors. All pilots, regardless of experience level, are welcome to attend. Please bring questions and concerns that can be discussed among the attendees. Space is limited so please pre-register!

Directions: Second Floor Conference Room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
